

## Our Advantage

As highly experienced Registered and Certified senior **Professional** Home Inspectors, we offer the most comprehensive and thorough inspection and reporting system in the industry – our qualifications are your best reason for choosing us – shop and compare. This is important, because the home inspection industry is not well regulated (this essentially means anyone can call themselves a home inspector) which means you want to do your homework to ensure the home inspector you choose is best qualified to assess the home you intend on purchasing.

Check out the **Pillar to Post® Advantage** and compare:

- Highly trained experienced Professional Building Inspectors (this is our fulltime job)
- 1600 point comprehensive TYPED inspection system (no one even comes close)
- Executive summary listing items of major concern (a summary list to work from)
- (\$\$\$) Hundreds of renovation dollars saved with the PTP Home Alliance contractors
- Maintenance and preventative maintenance recommendations tailored to your home
- Detailed easy to read (and easy to understand) inspection reporting system
- Over 10,000 homes inspected in the Okanagan/Shuswap alone
- Our remote service includes emailing the report and photo library and calling client to debrief the day of the inspection (no one compares).
- Comprehensive cost estimate guide for repairs or upgrades
- Home maintenance schedule checklist
- Pocket pages for expense tracking
- Our free aftermarket phone resource you can use through the life of ownership exclusive only to our clients,

In addition, our in-house **support services** can also include as an additional service:

- Structural and building envelope reviews by a Registered Professional Engineer
- Indoor air quality assessment and testing by a Professional
- Mould assessment and testing by a Professional
- Personalized emailable color photo library of key issues
- Water testing and assessment

Nobody offers more !

Compare us to the leading competitors to find that we are miles ahead, and then call us to book your home inspection. Choose the best. Choose **Pillar to Post®** Professional Home Inspection.
